- 8 ounces Hook's Medium Cheddar cheese or Hook's One Year Sharp Cheddar cheese
- 8 ounces Wakker Creamy Young Gouda cheese (aged 2-4 months)
- 12 picks or toothpicks

---

## Instructions

- 01 Cut muenster into 1/4-inch slices, each about 3-inches wide x 1-inch tall. Repeat step with cheddar and queso menonita.
- 02 Stack a flat slice of muenster on top, cheddar in the middle and queso menonita on the bottom. Cut each stack with a 2 1/2-inch candy corn-shaped cookie cutter. Insert a pick into each stack, starting at the top, to secure cheese layers.

## Recipe Tip

The size of the candy corn-shaped cookie cutter can be varied; the width of the cheese slices could be cut for fit.
