

# PASTY GRILLING TIPS

**GRILL** - Pre-heat grill to 375°F - 400°F. Place thawed pasty directly on grill grates over indirect heat. Cover grill and cook 20-30 minutes or until heated to internal temperature of 165°F.

OR

Soak wood planks 4 - 8 hours. Pre-heat grill 375°F - 400°F  
Place thawed pasties on wood plank over **DIRECT HEAT** cover grill and cook 20 - 30 minutes or until heated to internal temperature of 165°F

## DUTCH OVEN IN A CAMP FIRE

Place 2 - 3 thawed pasties into cast iron Dutch Oven.  
Place hot coals around and on top of Dutch Oven.  
(Avoid leaving coals directly under Dutch Oven as this can burn the bottom of your pasty). Bake for 20 - 30 minutes or until heated to internal temperature of 165°F.
